To Whom It May Concern,

Please consider this letter my unqualified endorsement of Charles Allen and SafeBridge Benefits. Charles and his entire 'SafeBridge team' truly came through in flying colors for all of our companies, as well as our valued employees. The SafeBridge Group is a first-class outfit in every sense of the word, and brings unique 'savings' solutions to employers like Rick's Pro Truck Companies – which further boost our bottom-lines. And best of all, SafeBridge delivers this result on a 100% risk-free basis.

As a member of the Board of Directors of AAAS, I'm proud to call Charles Allen my trusted friend. I want to salute Charles and his entire SafeBridge team for delivering so much value and profitable savings to Rick's Pro Truck Companies' bottom-lines!

Respectfully,
