To Whom It May Concern,

Southern Skies Dermatology and Surgery selected & hired The SafeBridge Group, P.C. to put together a 'Better Benefits for Less' total package for our employees.

We were pleased to know that The SafeBridge Group does not work for any one provider, as no one provider specializes in every employee benefit offering.

This new optimized 'Total Employer & Employee Benefits Package' (from SafeBridge Benefits tm) represents the best overall value that we at Southern Skies Dermatology and Surgery have seen. Our work force is very happy with all of the Benefits Specialists from SafeBridge, and appreciated the professional, interactive and consultative communications they experienced during our open enrollment.

We're very pleased with SafeBridge Benefits as our Employer & Employee Benefits Consultancy group. We'd highly recommend them to any employer group who is serious about helping themselves and their work force realize the bottom-line savings and advantages of utilizing Better Benefits for Less.

Respectfully,
